Keep Cass County Beautiful (KCCB) is now accepting applications from students in grades 6 - 11 for the 2017-18 Youth Advisory Council at Louisville Public Schools. Current members do not need to reapply. This is a great opportunity to add to your community service hours. Youth Advisory Council members will gain experience in leadership, problem solving, and educating others on important sustainability issues and will help plan and implement annual litter prevention, recycling and beautification programs. Application forms are available in the high school office and must be submitted by May 12th. For more information contact Linda Behrns, KCCB Director at KeepCassCountyBeautiful@Yahoo.com.

Are you interested in being a good friend? Join a Circle of Friends small group. It involves eating lunch once a week with a specific group, potential field trips throughout the year, and being a leader and positive role model. They are available each day of the week. To join a group, please come to the office, pick up a permission slip, and return it to the office.
